In order for us to know who's using the database for what purposes, and in order to ensure that the ESD is meeting the needs of its user base, we ask that you complete a brief report of the way(s) in which you used the ESD for your work when you renew your free access annually.

The ESD is a collaborative non commercial, non profit project. It depends on the goodwill and contributions of its users and developers. If you've used the ESD to produce some research that you'd like to share with us, if you'd like to contribute a resource to a ESD module, or if you'd like to put a citation for your ESD-based work into the library, please let us know at esd@yorku.ca

I acknowledge that I have read and understand the terms and conditions under which the data products can be made available to me and that I will abide by them. I agree that in any written work, presentation, or other research product making use of the ESD as a resource, I will cite the ESD. I also agree that in order to renew my free access annually, I will report briefly to the ESD about how I used the database as part of research and/or teaching.
